# THE CAMBRIDGE CHRONICLES

April 2020

[info@cambridge.care](mailto:info@cambridge.care)

## Welcome, Spring!

February flew by in the blink of an eye, and March seemed to drag on forever, but we have persevered! Happy April, everyone! The past few weeks have brought on a new set of challenges, but we have met them head-on, and one thing has always stayed the same; the love and care that we have for our amazing residents. With the weather FINALLY warming up a bit, we have begun enjoying some time outside, and we look forward to watching the outside temps continue to increase!

In these current times of stress and uncertainty, we are eternally grateful for our outstanding staff, amazing residents and their family members, and of course, our fellow healthcare workers. Despite the circumstances, we always find a way to have fun with our staff and residents, and smiles are NEVER in short supply! So I hope you enjoy this recap of the past two months here at Cambridge Senior Living, and we look forward to keeping in touch :)

*Angie Parenteau, Admin-in-Training*

*“When Only the Best Will Do”*

# A Look Back...

We held our first “Breakfast Bash” back in February, and we all had a great time! Residents were able to enjoy a special breakfast with made-to-order eggs, sausage, bacon, and other delicious breakfast favorites, while spending some quality time with Cambridge managers and each other!

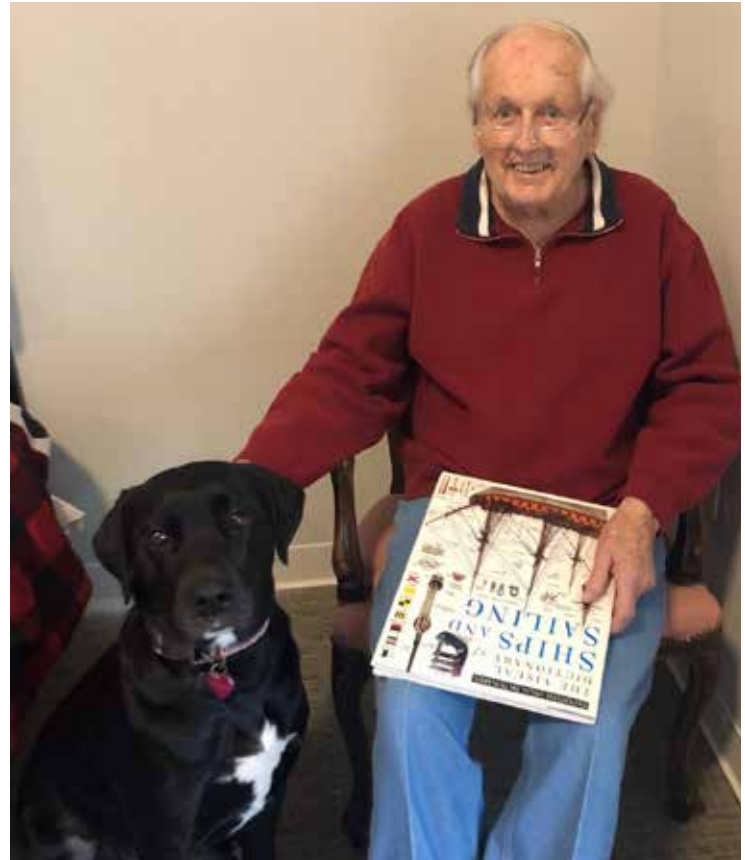

# A Look Back (Continued)...

Cambridge resident, Millie celebrated her 97th birthday on Valentine's Day, and was joined by almost all of her children to celebrate!

Gettin' crafty as a group back in February!

Everyone loves when we have four-legged visitors!

## Cambridge is Hiring!

With the facility nearly at capacity our hiring needs are growing, too! We are currently looking to fill the following positions. If you know of anyone looking for a rewarding career with a great company, send them our way!

**Clinical Care Assistant** (Full-Time, Part-Time, & Casual opportunities available)

**Culinary Assistant** (Full-Time & Part-Time opportunities available)

# Giving Back

We are always looking for ways to give back to our amazing community! Here is just a quick look at a few projects that we've completed over the last two months.

Staff and residents enjoyed assembling "first time mom" kits to donate to the Pregnancy Help Center. They were so appreciative!!

Customized snack bags for employee appreciation day!

"Survival Kits" for Social Workers for World Social Work Day.

# Staying Busy!!

As with most senior living facilities in Wisconsin, Cambridge has been under a “no visitors” restriction for many weeks now. While it has often been challenging, it has also been very rewarding to watch family members get creative with new ways to stay in touch with their loved ones, and our staff members have really risen to the occasion as well!

# Upcoming Events

All upcoming events are for residents and staff only, and are held while maintaining 6 feet of distance between participants at all times.
